Dear Parish Council President,

Under the High Patronage of His Eminence Archbishop Demetrios of America, and with the spiritual blessing of His Eminence Metropolitan Methodios, the Greek Orthodox Ladies Philoptochos Society of the Metropolis of Boston is honored to host the *Fifteenth National Philoptochos Children's Medical Fund Luncheon* on Saturday, October 31, 2015, at the Renaissance Boston Waterfront Hotel in Boston, Massachusetts. The Metropolis of Boston Philoptochos is excited to welcome close to six hundred Philoptochos members, friends and stewards from across the country to the Metropolis.

Established in 1989 by the National Philoptochos, the *Children's Medical Fund* has made a significant and positive impact on the lives of children in the United States and in other parts of the world. Through generous support, proceeds of the Luncheon have allowed the Society to donate approximately \$3 million to:

- Children dealing with life-threatening illness, including cancer, juvenile diabetes, kidney and liver ailments, heart disease, etc.
- Children's hospitals and clinics that provide medical assistance to critically ill children, whose families are unable to afford appropriate and necessary treatment.
- Innovative research programs and facilities that offer care, treatment and cures.

We humbly invite you to share the blessings we have received and give generously as a sponsor of the Children's Medical Fund. Through your generosity, we hope to generate significant contributions in order to distribute substantial grant awards to children's hospitals, research and special programs to benefit children throughout the Metropolis of Boston. Please open your hearts and make a gift to the National Philoptochos Children's Medical Fund Luncheon by completing the enclosed form and submitting your contribution in the enclosed envelope by September 1, 2015.

We thank you for your greatest of all gifts, the gift of love and your commitment to make a difference so that these children's lives will be filled with hope and promise for many bright tomorrows.

In His Service,

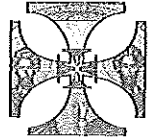

Frances Levas  
General Chairman

Maria Logus
